GOOGLE SEM SERVICES

80% OF THE WORLD BUYERS USE GOOGLE.COM TO SEARCH SUPPLIER SOURCES.

REAL FACT: "Approx 80% of buyers only prefer the website shown on the first page of Google. In easy words, the higher a website ranks in search results, the greater the chance that site will be visited by a user"

Marketers in the modern world focus on Search Engines to grab potential buyers.

Mainly there are 2 techniques to capture buyers from Search Engines known as SEM & SEO

- Paid listing based on Click (PPC)
- Targeted buyers from targeted country domain
- i.e Google.uk, Google.ae, including Google.com
- Instant Ad posting
- Controllable traffic
- Instant top ranking based on keywords
- Sponsored ads are crafted and planned
- Cover more keywords within the budget

Why Google SEM?

Attract more customers

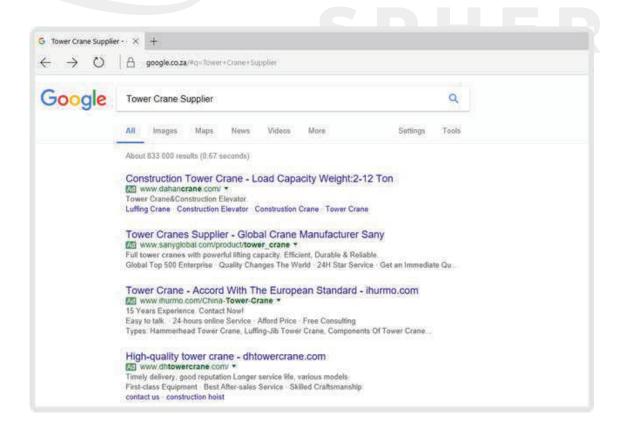

Whether you're looking to bring in new website visitors, grow online sales, get the phones ringing or keep customers coming back for more, Google SEM can help.

Reach the right people at the right time

Your business gets found by people on Google precisely when they're searching for the things you offer.

Advertise locally or globally

Target your ads to customers in certain countries, regions or cities – or within a set distance from your business.
